Why should your company join the DVN Community?

The DVN Community of Lighting is a unique opportunity for your company to grow your Business through:

DVN Technological watch on new emerging technologies, with:

- weekly newsletters (available in English and in Chinese) bringing news, analysis, and crucial information on innovation in lighting.
- monthly technical reports with sharp focus on cutting edge technologies, regulations, congresses, auto shows.

DVN Promotion of innovations from DVN's 240 (and counting!) member companies-we facilitate the promulgation of knowledge of innovation, which in turn paves the way for commercialisation, enabling to build new relationships through DVN Community to forge new business worldwide.

DVN Workshops to meet high-level decision makers, researchers, innovators, practitioners, academics, and regulators to make new business connections with three workshops per year in rotating locations throughout America, Europe, and Asia. DVN Workshops gather over 300 participants.
